

Christmas Shopping

Book stores are great places to buy gifts to put in Christmas stockings.

Choose the most suitable books for these people. Remember, if someone is good at doing something, they don't need a book that tells them how to do it!

1. Mary Ann lives in Boston. She is really good at telling jokes and always makes people laugh. She's a good mathematician but she's not so good at learning languages. She tells lots of funny stories about her three-month vacation in Mexico and South America when she tried to speak Spanish and Portuguese and made many mistakes. She loves to go shopping and has lots of money to spend.

What's best for Mary Ann and why? Choose (c) or (e).

☐ because
and not ☐ because

2. Woody is a college freshman. He's very fit and good at surfing, skiing and skateboarding but he has no talent for playing team games. Balance is his speciality and he's bored by ball games. He goes surfing on the California coast each summer vacation and in the winter he goes skiing in Colorado.

What's best for Woody? Choose (b) or (e).

☐ because
and not ☐ because

3. Sandi comes from New England. She enjoys her garden where she grows vegetables and herbs. She respects the land and is always careful to recycle. She likes to be alone. She doesn't own many clothes because, she says, "I just don't need much." She loves watching movies on TV when she's indoors during the winter evenings.

What's best for Sandi? Choose (a) or (c).

☐ because
and not ☐ because

4. Sonny has a great memory for remembering facts about famous movie stars. He likes going to the movies. He's got every issue of the magazine MovieWorld since the magazine first appeared. He wants to get a job as a movie critic. He majored in foreign languages at college.

What's best for Sonny? Choose (a) or (d).

☐ because
and not ☐ because

b.
